BDS Divestment Shortlist

AFSC | Action Center for Corporate Accountability

November 2026

This shortlist is endorsed by the Palestinian BDS National Committee, the broadest coalition of Palestinian civil society, and is trusted by the world's largest investors.

The list includes publicly traded companies that consistently, knowingly, and directly facilitate or enable human rights violations or violations of international law as part of Israel's military occupation, apartheid, and genocide. It is a subset of companies included on investigate.info.

Refer to investigate.info for methodology notes, company profiles, and divestment support.
