

## DIVESTING FOR PALESTINIAN RIGHTS

This list included publicly traded companies that **consistently, knowingly, and directly** facilitate and enable human rights violations and violations of international law as part of Israel's prolonged military occupations, apartheid, and genocide.

Companies marked with (\*) are specifically complicit [in the Gaza genocide](#).

Refer to [investigate.info](#) to scan lists of holdings or mutual funds, get more information about each company, read our methodology, and to ask for divestment support.
